

REMARKS

Claims 1-10 are pending. Claims 1 and 5 are independent. Only amendments to the Specification are provided in this amendment. Support for the Amendment can be found, *inter alia*, in figure 6.

Specification

With respect to the Examiner's objection to the Specification, Applicants assert that the objection is now moot given the amendment to the Specification. Applicants assert that support for the amendment can be found, *inter alia*, in FIG. 6 and on pages 10-30. No new matter has been added.

CONCLUSION

Applicant respectfully requests that the Examiner enter the above amendment to the specification because the amendment materially reduces the issues under appeal. Thus, prompt and favorable consideration of this amendment is respectfully requested.

If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number listed below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies to charge payment or credit any overpayment to Deposit

Account No. 08-0750 for any additional fees required under 37 C.F.R. §§ 1.16
